

Recognition of Prior Certificated Learning (RPCL) gives you the opportunity to gain recognition for all of the learning you gained prior to your current programme of studies at the University of Aberdeen. RPCL lets you transfer credit gained within one programme of study to another programme of study either at UoA or at a different institution. RPCL can be of benefit to you as it ensures that you are studying at the right level and that you gain the credit you deserve. There is even the possibility of completing your programme sooner. If you would like to apply for RPCL, please complete the below form.
